

TOP OPEN DAY TIPS TEN

Our top ten tips for making the most of university open days

1

Book your place well in advance

2

Take a friend or family member with you if you feel nervous or unsure about the university

3

Wear comfortable but reasonably smart clothes

4

Worried about the cost of travelling? Contact the university and ask for help

5

Open days are NOT part of the selection process, so relax!

6

Don't be afraid to ask questions - that's what staff and students are there for!

7

Take a bag so you have somewhere to put all the brochures you'll be given

8

Wear comfortable shoes and take warm, waterproof clothing

9

Finance, career prospects, and accommodation are all good things to ask about

10

Can't attend the open day? Don't fear - find out what other options the institution offers
